

RABBIT & ROCKET

DAILY MINI – CELEBRATING DOUBLE EDGE

This image can be embroidered, thread painted or punch needle embroidered with any colors you like.

INSTRUCTIONS

To copy the image onto fabric, simply do the following:

1. Right-click on the image above to save it to your computer.
2. Print out the image onto regular paper. The image will be small and centered in the middle of your 8-1/2 x 11 sheet of paper.
3. Pin or tape the paper to the fabric you'll be stitching on.
4. Tape the combined paper and fabric to a light-filled window so you can see the pattern through the fabric. (Or use a lightbox if you have one!)
5. Lightly trace the image onto your fabric - you can use a regular pencil or one made for marking fabric that will disappear with heat or water.
6. Remove the paper, hoop your fabric and start stitching!

Today we're celebrating our amazing neighbors at Double Edge Brewing Company in Lancaster, Ohio. This image can be a combination of embroidery, thread painting and punch needle embroidery.

IDEAS

The pattern is 4-inches by 4-inches. Stitch all the white space in with white thread and use stabilizer attached to the back to turn into a patch you can sew to a jacket or jeans. Turn into a pin cushion or put under glass to create a coaster. Or simply display in a small hoop or frame. Have FUN!
