RABBIT & ROCKET

DAILY MINI – MMMM DONUTS

This image can be embroidered, thread painted or punch needle embroidered with any colors you like.

INSTRUCTIONS
To copy the image onto fabric, simply do the following:

1. Right-click on the image above to save it to your computer.
2. Print out the image onto regular paper. The image will be small and centered in the middle of your 8-1/2 x 11 sheet of paper.
3. Pin or tape the paper to the fabric you'll be stitching on.
4. Tape the combined paper and fabric to a light-filled window so you can see the pattern through the fabric. (Or use a lightbox if you have one!)
5. Lightly trace the image onto your fabric - you can use a regular pencil or one made for marking fabric that will disappear with heat or water.
6. Remove the paper, hoop your fabric and start stitching!

You can trace the simple line art pattern on fabric or canvas to stitch using embroidery stitches or punch needle. Please feel free to be creative and choose your own colors and have fun with the pattern!

IDEAS
Use beads as the sprinkles on the pink icing. Make the words any color you like! Great as a tiny pillow and basket-stuffer for Easter or a pin cushion for a donut-loving stitcher. Satin stitch the donut with stabilizer attached to the back and and turn into a patch you can sew to a jacket or jeans or simply display in a small hoop or frame. Use fabric you have - the background doesn't have to be white - patterned fabrics can be a fun background!

The image is 3-inches square – all of our daily minis are small so you *may* be able to complete in a day. We recommend using a piece of fabric at least 5-inches square in at least a 4-inch hoop. If you want to go bigger or smaller, no problem!

Share your completed minis with us on social media using the hashtag **#rabbitandrocketmini**. From time to time we'll pick a completed mini someone has shared and drop the maker a gift from us for brightening everyone's day!
