

RABBIT & ROCKET

DAILY MINI – POW!

This image can be embroidered, thread painted, punch needle embroidered or cross stitched with any colors you like. For a fun twist, use DMC glow in the dark thread for the letters or the black border. (DMC E940).

INSTRUCTIONS

To copy the image onto fabric, simply do the following:

1. Right-click on the image above to save it to your computer.
2. Print out the image onto regular paper. The image will be small and centered in the middle of your 8-1/2 x 11 sheet of paper.
3. Pin or tape the paper to the fabric you'll be stitching on.
4. Tape the combined paper and fabric to a light-filled window so you can see the pattern through the fabric. (Or use a lightbox if you have one!)
5. Lightly trace the image onto your fabric - you can use a regular pencil or one made for marking fabric that will disappear with heat or water.
6. Remove the paper, hoop your fabric and start stitching!

IDEAS

Adjust the size of the pattern to your liking when printing it out. It's 4-inches by 4-inches. Stitch with stabilizer attached to the back to turn into a patch you can sew to a jacket or jeans. Turn into a pin cushion. Or simply display in a small hoop or frame. Have FUN!
